**UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEVADA
UNITED STATES V. JIMMIE LOUIS POPE, 2:16CR00256**

**SUMMARY IN SUPPORT OF PETITION FOR WARRANT
June 10, 2022**

On November 24, 2021, Pope commenced his third time on supervised release and on April 12, 2022, the undersigned filed a petition for summons noting violations of his conditions. On April 21, 2022, Pope appeared for his Initial Appearance and since that time, Pope has incurred numerous additional violations. Most notably, Pope was arrested and charged with numerous state felony charges.

The police report details how on March 21, 2022 a victim called police and reported that a vehicle drove by his residence and a person inside of it fired multiple rounds at him. The victim was not hit, but several nearby cars were. After further investigation, Detectives later determined that the car used in the shooting belonged to Pope's girlfriend. Officers later conducted a traffic stop on the vehicle, which was in the area of the shooting; Pope was found to be the sole occupant of the vehicle.

The vehicle was later searched on April 10, 2022. During that search, officers discovered a 9mm handgun along with several rounds of ammunition. DNA was taken from the gun which matched Pope's. A digital search was conducted on Pope's phone which showed that Pope's phone was in the area of the shooting four minutes prior to the incident. Detectives arrested Pope on June 8, 2022, and during his interview, Pope admitted to driving the vehicle in the shooting. Pope was later transported to the Clark County Detention Center and booked on the above noted charges. Pope's next court appearance is scheduled for June 14, 2022. It should also be noted that Pope is being held on a no bail hold and as such will not make it for the revocation hearing scheduled on Tuesday June 14, 2022.

Also noted above are numerous other violations for missing a drug test, using Percocet without a valid prescription, failing to follow directives of the probation officer, failing to report police contact as required, and failing to show up for every therapy class since April 7, 2022.

Pope's most recent arrest is very concerning to the probation office and it's apparent that Pope has no intention of complying with the conditions of his supervision. Our office requests that a warrant be issued for his arrest and due to the public safety risk related to his new charges, it is requested that he remain in custody pending his revocation hearing.
